To Customers of Air Flow:

As most of you are aware, the North Carolina Sales Tax has changed, the Sales and Use Tax, as well as the 1% Privilege Tax.

Most of our customers have gone to **Direct Pay**, but if you are unsure as to what NC Sales Tax you should be paying, (what Sales Tax we are to charge you on invoicing), please contact the NC Department of Revenue – Sales and Use Tax at www.dor.state.nc.us/downloads/sales.html for help in determining your answer.

While we are more than glad to provide you with and **E-595E Certificate of Exemption**, we cannot make the determination of what tax you should be paying.

If we can be of any assistance, please let us know.

Sincerely,

Mary Lee Edwards

Streamlined Sales and Use Tax Agreement Certificate of Exemption

This is a multi-state form. Not all states allow all exemptions listed on this form. Purchasers are responsible for knowing if they qualify to claim exemption from tax in the state that would otherwise be due tax on this sale. The seller may be required to provide this exemption certificate (or data elements required on the form) to a state that would otherwise be due tax on this sale.

The purchaser will be held liable for any tax and interest, and possibly civil and criminal penalties imposed by the member state, if the purchaser is not eligible to claim this exemption. A seller may not accept a certificate of exemption for an entity-based exemption on a sale made at a location operated by the seller within the designated state if the state does not allow such an entity-based exemption.

1 Check if you are attaching the Multistate Supplemental form.
 If not, enter the two-letter postal abbreviation for the state under whose laws you are claiming exemption.

2 Check if this certificate is for a single purchase and enter the related invoice/purchase order # _____.

3 Please print

Air Flow

A division of Enerphase Industrial Solutions, Inc.

North Carolina's Premier Sullair and FS-Elliott Distributor Since 1982
 Greensboro Woodleaf Rocky Mount Fayetteville
 Phone 800.820.4025 Fax 336.605.9844

Since 1983, Air Flow has been a North Carolina-based full-service compressor, vacuum and air filtration service provider for industrial manufacturers. Air Flow's service staff is dedicated to minimizing your downtime for mission critical compressed air and vacuum systems.

Products that Air Flow specializes in distributing include **industrial rotary screw, reciprocating and centrifugal compressors**. In addition, we provide a full range of **vacuum pumps, air filtering and separation systems**, as well as **heat exchangers and cooling towers**.

Services provided by Air Flow include **compressed air system design and turnkey installation, energy and efficiency audits and annual preventive maintenance agreements**. In addition, Air Flow maintains the largest rental fleet of rotary screw air compressors in North Carolina for use during emergency or annual shutdown situations.
